"I shall pass through this world but once; if therefore there be any kindness I can show or any good thing I can do, let me do it now; let me not defer it, nor neglect it, for I shall not pass this way again."

East Ham's War Memorial.

The names of over 2,000 local men who gave their lives in the Great War of 1914-1918 are publicly recorded on bronze panels in the Entrance Hall of this Hospital.

Is it possible to conceive a more fitting manner in which to perpetuate their memory?

If you lost a near, or dear one, why not commemorate the occasion by sending an Annual Subscription?

“In Remembrance.”

“A” Ward, which had been out of use since the Hospital was damaged by Enemy Action in October, 1940, was completely restored during the year, and opened as a First-Aid Post on the 1st October.

“C” Ward, which has also been out of action since October, 1940, is now in course of restoration and will shortly be available for the reception of patients. When this work is completed, all the Wards of the Hospital will be in use once again.

" Florence Bethell " Ward, which was completed as a Maternity Ward in May, 1940, but subsequently used for General patients and Air-Raid Casualties, was opened for the admission of Maternity patients on the 1st November. The opening ceremony, on 6th November, was performed by the Deputy-Mayor of East Ham, Alderman J. W. Barton, J.P., who was accompanied by the Rt. Rev. The Lord Bishop of Barking.

The opening of this Ward as a Maternity Unit decreased the number of available beds in the Hospital from 143 to 123. This figure, however, will be increased to 131 on the re-opening of " C " Ward.

The function of the Out-Patient Department was extended during the year by the opening of an Ante-Natal Clinic on the 8th December.
